Corporate Catering

We pride ourselves on delivering delicious, natural food to nourish and inspire your team. Every offering uses ingredients that meet the same high quality standards as the products on our shelves and in our cheese and charcuterie case.

With a full-time Executive Chef dedicated solely to event catering and production, you can trust that our offerings will be as beautiful and thoughtful as they are delicious.

Allow our in-house Sommelier to curate the best wines and spirits; and, our event team to look after rentals, entertainment, decor and staffing.
